RE: COUNTY EMS CONTRACT

As you know our next fiscal year will begin in October. We are requesting county membership contracts for FY-2016 as soon as possible in order to make financial and program plans.

Lafayette County's FY-2016 share will be \$35,040.00. Just as a reminder your share may be paid from a special EMS Tax Levy (Miss. Code 41-59-59), General County Funds, or your EMS Operating Fund Grant (EMSOF can be used only if the county can show support for EMS through other means).

So that we can make plans to continue working with you, please present the enclosed contract to your Board of Supervisors at the next meeting. If they are in agreement, have them sign and return the contract.

We have enclosed a form, listing you county's EMS Board Members. If there are any changes, please list the new board members name and address. If there are no changes, please list current members and their current address. Please return this form with the contract.

Thank you very much for your time and effort in this matter. If you have any questions, I would be happy to meet with you at your convenience.
