Subject: Delete & add inventory

I have 5 new computers that I bought that need inventory numbers on them. They are on the back wall for public use. Also, I have removed 5 that were back there. They are good usable computers; however, Josh at 3 Rivers told me several weeks ago that the State Auditor IT Dept was going around to each county and taking inventory of the computers each dept has. He stated that my XP computers would not be acceptable and to get rid of them. I guess we can save them in case someone has one that crashes, but don't really care one way or the other.

The ones I have replaced are:

Inventory #101299 (Dell)

101290

101292 - previously deleted

2 didn't have county stickers on them. They are identified by serial #. One is 00144-051-056-590 and the other is 80045-632-655-015

Thanks!

Sherry
