All:

Mitigation will be hosting the L0212 Unified Hazard Mitigation Assistance: **Developing Applications class** on July 25th-29th, 2016.

The class will begin each morning at 8:30am and will be held at the SEOC in rooms 115A/B. The instructors from the class will both be from Region IV the Office of Mitigation and both hold responsibilities of reviewing applications submitted to the Region. The goal of this course is to enable Unified Hazard Mitigation Assistance grant (HMGP) applicants and sub-applicants to develop eligible mitigation projects and submit successful project applications.

For those interested in attending, please complete the attached FEMA-119-25 form and send to Jana Henderson @ jhenderson@mema.ms.gov or (601) 933-6805 (fax). The completed forms must be received by July 15, 2016.

Thank you,
Darla
