Henry,

Thank you for agreeing to allow Lafayette County employees on your property to help clean up our image and present our County in a very positive manner. People are attracted to neighborhoods and business districts that are well kept and maintained.

In order to allow Lafayette County workers onto property to aid in the cleanup, we would like to have a clear understanding of what, if any items, that we should not remove. We would welcome you or a representative to be on site during cleanup. We plan to use a common sense approach and only remove those items that are clearly old, decaying or rusting.

By signing below I agree to allow Lafayette County workers access onto my property located on Cr 277 Oxford, MS 38655. I (we) certify that the volunteers shall not be liable for any personal property damages including but not limited to, trees, shrubs, fences, roads, grounds, utilities or any other damage caused by the removal of the debris.

Any questions you can contact the office at 662-607-1862
