1. This survey was prepared without the benefit of a Title Search and based on limited research by the surveyor or documents furnished by the client or owner.
2. This Property is subject to all Lafayette County rules and regulations.
3. This property is subject to all road and utility easements and right-of-way of record. Recorded or Unrecorded.
4. This Property is a Class "C" survey as set forth in Appendix "A" of the Standards of Practice for Surveying in the State of Mississippi.
5. This survey meets the conditions of closure and accuracy for Class "B" as set forth in Appendix "B" of the Standards of Practice for Surveying in the State of Mississippi.
6. Geospatial Establishment: GPS Observation (Cold)
7. All of the survey calls are either steel calls or measured calls established by this survey.
8. 1/2" Factor, as described, is a 1/2" reinforcement bar.
9. Date of Field Survey: 07-10-18.

This is to certify that I, the undersigned, a Licensed surveyor in the State of Mississippi have completed a survey of the premises as described and delineated herein for the purpose of accurately describing the same and that this plot represents said premises as surveyed on the ground by me or under my direct supervision and is true and accurate to the best of my knowledge.
