Subject: December docket

Hi Angela-

Please accept this as my formal request to appear before the Lafayette County Zoning Commission at their December meeting. Our purpose is to obtain a temporary variance for widening our driveway in order to meet existing standards. We understand that the driveway has to be 20' wide with pavement. We would like to temporarily widen the driveway to 20' with packed and rolled gravel until next summer. Paving contractors have indicated that it is difficult to lay asphalt or DBST during the winter months due to the wet and cold weather. We'd like to begin treating patients as soon as possible hence the reason for the requested variance.

This meeting is requested after one of our investors, a recently retired attorney, met with Board of Supervisors Attorney David O'Donnell. Mr O'Donnell is aware of the issue to be presented to the Zoning Board. Please advise me at your earliest time that we are, in fact, on the agenda for December.

Thanks so much for your help.

Best regards,
