Subject: Bus Turnaround

I would like to request a bus turn around to be built for bus 37. The location is at 425B Highway 6 East. This would allow the bus to pick up students away from this bus stop which is located over a hill.

Doug Cromwell, Scott Cofer and I have been to the location and agreed that it would be a safe location for the bus. This turnaround will involve moving vehicles, mailboxes, and trimming trees. We have also obtained a letter of authorization from the landowner to have this built on their property. The estimated cost to the school district will be \$300.00

This request, if approved, will be sent to the county board of supervisors for their consideration.

Sincerely,

Sonny Brownlee  
Director of School Services  
Oxford School District
