RE: Plat Revision
Lots 37 & 50 Tara Estates
Lafayette County, MS

Dear Mr. Britt,

As we have discussed, our client Dave Vanlandeghem, has requested that we prepare a plat amendment for lots 37 & 50 as shown on the attached drawings.

The line needing to be modified is the common line between lots 37 & 50. The reason for this line modification is the pool and fence for lot 37 was built over the original property line.

We are gathering the signature of the owners of the lots located in this subdivision phase. These owners have been made aware of the plat modification and do not object.

Please let me know if you have any questions or if you need additional information and thanks as always for your help.

Sincerely,

Chad Mayer, P.S.
Precision Engineering Corporation
