Lafayette County Board of Supervisors  
300 North Lamar

Attn: Jeff Busby, Board President

Jeff,

I am requesting that the quote 6917 from QuickSeries Publishing Inc., be considered as a sole supplier bid. This company is quoting an Emergency Preparedness App for Lafayette County. This App combines several features into one app that make it unique from any other app I can find. I have done extensive searching for a company that could provide a comparative quote but have found nothing that has Notification capabilities, Emergency Planning tool, mapping feature (that shows evacuation routes, shelters, and critical facilities), and capability of sharing status after an incident. Please declare The QuickSeries Publishing, Inc's, EOC Ready App a Sole Source Provider.

Sincerely,

Steve Quarles  
Director of Emergency Management Agency
