Re: GreenServ Sterilization, Inc.  
Medical Waste Processing Facility  
Oxford, Lafayette County, Mississippi

Dear Sir/Madam:

In accordance with State law, notification to adjacent landowners is required whenever modifications to a regional Solid Waste Management Plan is proposed. Be it known that the Three Rivers Solid Waste Management Authority, 705 South Main Street, Pontotoc MS 38863 is proposing to modify their existing Solid Waste Management Plan in reference to a proposed medical waste processing facility in Oxford, Mississippi.

NOTICE IS HEREBY GIVEN that the Three Rivers Solid Waste Management Authority will hold a public hearing to amend the Solid Waste Management Plan in reference to the proposed medical waste sterilization facility at 50 County Road 166, Oxford, Mississippi. The proposed GreenServ Sterilization, Inc. facility will be located within an approximately 12,000 square-foot structure on approximately 9.05 acres in Sections 5 and 8, Township 8 South, Range 3 West. Following sterilization, waste will be transported to the Three Rivers Solid Waste Landfill in Pontotoc County for disposal.

You are invited to attend the public hearing to provide comments regarding the amendment to the Three Rivers Solid Waste Management Authority Solid Waste Management Plan. The meeting will be held at the Lafayette County Board of Supervisors Boardroom located at 300 North Lamar Boulevard, Oxford, Mississippi on December 18, 2017 at 8:00 AM.

Any person wishing to review the documents related to the proposed modification or obtain additional information on this matter may contact Mr. James Spencer at (601) 842-7381 at Cook Coggin Engineers, Inc., Tupelo, Mississippi. Any interested person may submit written comments by December 18, 2017 to Cook Coggin Engineers, Inc., P.O. Box 1526, Tupelo, MS 38802.
