RE: Tuscan Hills Condominium Association

Dear Commission,

On behalf of the Tuscan Hills Condominium Association I am submitting our proposed plat amendment which would transfer the roads from private to public ownership. As you may be aware, the original plat denotes the roads are to be privately maintained. However, the Association voted to dedicate the roads to the county and requests that the county accept them along with the attendant maintenance obligations.

Please do not hesitate to contact my office with any questions or concerns. I will be out of the office until December 4, 2017, but my staff will be available to assist you.

Sincerely,

FREELAND MARTZ, PLLC
