Gentlemen:

On behalf of the Stonebridge at Wellsgate HOA, I would like to formally request that the County take over maintenance of our streets less and except our parking areas. We have provided reduced copies of the Right of Way Survey conducted by Hill Lewis Engineering at the direction of Mr. Larry Britt our County Engineer. We believe we have complied with all of the requirements made of us towards this end and trust that you will agree by approving this takeover. Thank you for considering this request.

Respectfully,

Byrnes Kuehnle, President

Stonebridge at Wellsgate HOA Board of Governors
