RESOLUTION REQUESTING THE MISSISSIPPI LEGISLATURE TO DIVERT A PORTION
OF THE USE TAX COLLECTED FROM INTERSTATE INTERNET SALES TO BE
TRANSFERRED TO MISSISSIPPI COUNTIES; AND FOR RELATED PURPOSES

WHEREAS, Mississippi county roads and bridges across the state are in constant need of repair and replacement, and improving roads and bridges is vital for the safety and wellbeing of Mississippi's citizens and businesses; and

WHEREAS, Mississippi counties are responsible for the maintenance and repair of over 69% of the State's road miles with 52,000 miles of roads and 59% of the State's bridges with 9,865 bridges (of which over 400 are currently closed and over 1,600 are posted for low weight vehicles); and

WHEREAS, the demand for mandated county government services has increased rapidly, while the county ad valorem tax structure is struggling to generate revenues sufficient for counties to fund their obligations to provide for education, public safety, infrastructure, etc; and

WHEREAS, recent developments, including U.S. Supreme Court decisions affecting sports betting and taxes on interstate internet sales provide the Mississippi Legislature a unique opportunity to provide additional revenue for counties to use in making much-needed repairs and replacement of county roads and bridges; and

WHEREAS, if the Legislature does not provide additional funding to counties for critical road and bridge repair, counties will be forced to continue closing bridges, to make dramatic cuts for other services such as law enforcement, public safety, health and welfare of the citizens of Mississippi, or to raise property taxes. Each of these options would harm citizens and businesses throughout the State.

NOW THEREFORE BE IT RESOLVED BY _____ COUNTY THAT:

Section One: All recitations made above are found to be true and correct and are hereby adopted, ratified, and incorporated herein.

Section Two: The _____ County Board of Supervisors respectfully requests the Mississippi Legislature, Governor, Lieutenant Governor and Speaker of the House to take advantage of the recent developments to provide counties with the additional funding necessary for maintaining, repairing, and rehabilitating county owned roads and bridges.

Section Three: The Clerk of the Board is directed to send certified copies of this resolution to the Governor, Lieutenant Governor, Speaker of the House, Secretary of the Senate, and Clerk of the House, with our respectful request that it be distributed to all members of the Legislature. The Clerk of the Board is further directed to email copies of this resolution to each member of the County's Legislative Delegation and to local and statewide press.

Section Four: This resolution shall take effect and be enforced from and after passage.
