The Oxford-Lafayette Chamber of Commerce fully supports the efforts of the Oxford YMCA to build a full-service facility in Oxford-Lafayette County. A larger, more vibrant YMCA will be a valuable resource, adding economic impact and services to our growing community.

Oxford-Lafayette County has experienced a significant population growth in all demographics, making it one of the nation's fastest growing micropolitan communities. INSERT GROWTH STATS. Lafayette County is projected to have a record 57,197 residents by 2020 and that number is expected to keep rising. The steady growth is making it a challenge to provide adequate health, wellness and childcare services required to remain progressive.

The Oxford YMCA moved into this market in 2013 and has been welcomed by the community. The Oxford-Lafayette Chamber of Commerce believes a more comprehensive YMCA will help provide the infrastructure to support the County's growth. The addition of amenities like indoor aquatics, fitness, child areas and community gathering spaces, will allow the YMCA to introduce wellness and other critical programs that are both affordable and accessible to our residents.

The annual economic impact the YMCA would be making by investing in a larger-scale facility is substantial, stimulating the economy while creating or retaining over 155 quality jobs. In addition, the 14-month construction process will inject significant dollars to stimulate the local economy. The new YMCA will be a valuable asset to attract more business and industry to Lafayette County.

We believe an expanded Oxford YMCA will serve many people and be a positive asset to everyone in our community.

## Oxford YMCA

In 2013, the YMCA entered the Lafayette-Oxford-University market to provide accessible programs and services to one of the fastest growing areas in the state of Mississippi.

As the population of our city and county rises in every demographic and economic level, so do the challenges to provide the health and wellness, childcare and senior programming needed to remain a progressive city. The Oxford YMCA has stepped in to help meet the needs, but it requires additional space in order to keep up with the pace of the community's growth and expand its programming, particularly to families and seniors.

A strong membership base will allow the YMCA to support its mission of offering its quality programs at an affordable price.

The Oxford YMCA wants to increase its impact by building a full-service facility which will include indoor aquatics, health and wellness, fitness studios, community classroom space, a teaching kitchen, child watch area, intergenerational space and more. The indoor aquatic center will be the first of its kind in Oxford-Lafayette County, providing affordable swim lessons, water safety, warm water aqua therapy for seniors and an aquatics exercise program for children and individuals with special needs.

The new YMCA will provide a significant annual economic impact to Oxford-Lafayette by creating or retaining more than 155 jobs. The \$16 million project will also stimulate our local economy by injecting significant dollars into the economy during the construction process.

### Animal Control Services Agreement

WHEREAS, Lafayette County, Mississippi ("County") and Mississippi Critterz, a 501(c)(3) Non Profit Organization ("MS Critterz") wish to work together for the control and prevention of cruelty to animals; and

WHEREAS, the County wishes to provide for the health, safety and welfare of the citizens of the County by protecting them from loose, dangerous or otherwise uncontrolled animals; and

WHEREAS, the County and MS Critterz have agreed that, for the consideration hereinafter set out, MS Critterz will provide animal drop off services and animal shelter facilities for Lafayette County residents residing outside the City of Oxford, at the facility known as the "Oxford Animal Shelter," and shall perform all duties attendant to and in connection with such animal care.

NOW THEREFORE, for and in consideration of good and valuable considerations, including the mutual benefits accruing to both parties, the receipt of which is hereby acknowledged, the parties agree as follows:

1. **Purpose:** This agreement is entered into this the 16<sup>th</sup> day of May, 2019, by Lafayette County and MS Critterz for the purpose of providing for animal services by MS Critterz. MS Critterz shall undertake these services as an independent contractor, and shall at all times comply with the terms of this Agreement, the statutes and common-law of the State of Mississippi, and its own bylaws and requirements of its non-profit agency or corporate status. Both parties acknowledge that certain requirements of this contract with Lafayette County, a governmental entity within the State of Mississippi, may be in addition to or separate from those requirements mandated of a non-profit agency or corporate entity, and neither party seeks by this Agreement to alter or decrease those separate or additional requirements otherwise imposed by law, rules, regulations, or policies, upon MS Critterz. Management shall be carried out in accordance with all applicable standards promulgated by the Humane Society of the United States, the American Humane Association, the National Animal Control Association, its own rules and bylaws, the laws of the State of Mississippi, the laws or ordinances of the City of Oxford, and Lafayette County and any additional standards or requirements contained herein.. Furthermore, Lafayette County requires that MS Critterz perform its duties under this contract in the public interest and to the extent legally permissible with the same level of public disclosure, openness, and candor as is required by a sub-entity, committee, or agency of Lafayette County. The County specifically requires, and MS Critterz agrees, that it shall conduct its meetings consistent with State Open Meetings Acts requirements, and that it allow production of its records pertinent to its operations in the same manner as would be required under the State Public Records laws, for public entities.

2. **Term and renewal:** This Agreement shall remain in effect for five months and expire on September 30, 2019 (the "term"), provided further that this agreement may be terminated prior thereto upon a material breach of the terms hereof, upon written notice of the material breach to the breaching party and 15 days to cure any such material breach ("cure period"). If the material breach is not cured within fifteen days after written notice is received by the party in default, then said agreement shall terminate upon the expiration of fifteen days after the expiration of the cure period. MS Critterz understands and acknowledges, however, that subsequent Boards of

Supervisors may accept or reject prior contracts or agreements at their discretion. It is understood between the parties that the initial six month term is meant to allow the parties to investigate, assess, document, verify and share data as to the number of animals coming to the shelter from the unincorporated areas of Lafayette County. It is the parties mutual intent to use the verified and documented data to better determine the extent of Lafayette County's financial commitment to the control of stray and unwanted canine and feline animals in the unincorporated areas for the benefit of any future agreement including the extension of the present agreement.

3. **Utilities:** It is understood that the County will not be responsible for provision of and payment for utilities required by the animal shelter and incurred at the Oxford Animal Shelter, including but not limited to water, electricity, heating and cooling, and garbage pick-up. Telephone service at the shelter facility, or otherwise utilized by the MS Critterz, shall be provided by MS Critterz..

4. **Alterations and Maintenance:** It is understood that the County will not be responsible to undertake or cover the costs of any alterations, changes and routine maintenance in the animal shelter, either to the exterior or to the interior of the facility or its adjoining grounds, or to the equipment or the fixtures in the facility, or install any equipment that may necessitate any changes in or additions to the water, heating, or electrical systems of the animal shelter, or that require unusual usage of water, heat, or electricity. MS Critterz has no authorization to incur any debt or make any charge against the County or for any work done or materials and equipment furnished, except as provided in paragraph 5 below. It is understood that the City shall be responsible for all maintenance of the animal shelter building, both exterior and interior, and of any equipment installed therein by the City, including but not limited to fans, light fixtures, hot water heaters, and the heating, ventilation, and air conditioning system.

5. **Facility Management:** MS Critterz is responsible for the daily operations of the animal shelter, for hiring and managing employees at the shelter, for care and feeding of the animals at the shelter, for ensuring that the interior of the shelter is sanitary, and for ensuring that the shelter complies with the applicable Guidelines for the Operation of an Animal Shelter and with any other applicable guidelines promulgated by the Humane Society of the United States and/or the American Humane Association, in addition to, but in no way limited to the responsibilities enumerated herein.

Further, MS Critterz shall conduct its business on the City's animal shelter facilities in a manner that is transparent and it shall conduct its routine operations and meetings in accordance with the following procedures:

a. It shall hold its elections pursuant to statutory requirements for non-profits, and bylaws lawfully adopted and enforced by its governing body;

b. It shall hold regular meetings, at least bi-monthly, which shall be open to the public, at a time and place reasonably accessible to the public and not in conflict with the Board of Aldermen's meeting for the City and the Lafayette County Board of Supervisors. The public shall be given at least three (3) days' notice of such meetings, including the meeting agenda, by reasonable advance postings, both at the facility and on the website of MS Critterz, in a fashion designed to allow interested parties the opportunity to attend such meetings. Minutes of the meetings shall be kept and shall be available to the public for review on the MS Critterz website. Minutes shall include all topics discussed and votes taken.

- c. It shall conduct its meetings pursuant to Robert's Rules of Order;
- d. It shall allow a member of the City of Oxford Board of Aldermen (as nominated by the Board of Aldermen), and a member of the Lafayette County Board of Supervisors (as nominated by the Board of Supervisors) to attend its meetings as community liaisons, and shall conduct bi-monthly meetings at which it shall provide updates and information to those liaisons as may be reasonably requested regarding the operation of the animal shelter facilities and the performance of the contractual duties by MS Critterz under this agreement;
- e. It shall provide an oral and written report, to the Board of Supervisors, of its activities under this agreement on a bi-monthly basis. This requirement shall not relieve MS Critterz of providing such information as may be required by subparagraph d., above, on an ongoing basis.
- f. It shall obtain prior approval from the MS Critters Board of Directors for out-of-the-ordinary expenditures over \$500.
- g. ~~Ms. Critterz agrees to prepare and submit an audited financial statement of its operations on an annual basis for Lafayette County's information.~~ GB

**6. Animal Handling Services:** MS Critterz shall provide all needed animal handling services, including service after hours, on weekends, and in emergencies. MS Critterz shall be responsible for obtaining and paying for emergency veterinary medical treatment for animals picked up by the Lafayette County Sheriff's Department that are injured or severely ill. MS Critterz shall provide such services pursuant to Mississippi law and County ordinance. In those cases in which no law speaks to specific activities of MS Critterz, it shall provide its services in the most prudent manner under the circumstances, and shall provide the County with its rationale for its decisions or activities upon reasonable request by the County. Ms. Critterz shall also provide assistance, when requested, to the Lafayette County Sheriff's Department (the "Department") with regard to the Sheriff's Department's enforcement of Section 5 (Vicious Animals) of the Lafayette County Animal Control Ordinance and will be entitled to bill the County for each assistance at the rate of \$70.00. MS Critterz shall not be responsible for removing dead animals from the sides of roads or other public or private property or for responding to complaints of habitually barking dogs.

Employees:** MS Critterz shall be responsible for hiring sufficient employees and recruiting sufficient volunteers to adequately staff the Oxford Animal Shelter, to provide animal control service, and to enable the shelter to be open to the public for a reasonable amount of time during each week. MS Critterz shall be responsible for all aspects of those employees' lawful employment, including but not limited to payment of wages, for withholding taxes, and for payment of all payroll taxes with regard to those employees. All such employees hired by MS Critterz are employees of MS Critterz and are not employees of the County. The County is not responsible for providing any insurance for MS Critterz employees. It shall be the sole responsibility of MS Critterz to insure that all of its employees, whether engaged in Animal Control or any other activity, strictly comply with all local, state and federal statutes, ordinances, and regulations, and that MS Critterz, likewise, complies with all applicable statutes, ordinances, and regulations in its management of its employees.

**8. Operating Expenses:** It is understood that Lafayette County will not be responsible for any expenses related to the operation of the facility and that, subject to its agreement with the City of Oxford, MS Critterz shall be responsible for all of the operating expenses of the Oxford Animal Shelter, including, but not limited to, the cost of feeding the animals within the shelter, the cost of providing essential veterinary assistance, vaccinations, and medications, and the cost of any necessary euthanasia..

**9. Contract Fee:** For the provision of the animal handling services by MS Critterz, the County shall pay to MS Critterz a monthly fee of \$8,100 for a total fee of \$40,500 during the five month term. In addition, MS Critterz will be entitled to a fee of \$70.00 for each occasion MS Critterz provides assistance to the Sheriff's Department pursuant to Section 5 (Vicious Animal) of the Lafayette County Animal Control Ordinance. The payment of all fees, payments and reimbursable amounts from the County to MS Critterz shall be contingent upon the MS Critterz meeting the requirements listed in Paragraph 11 herein. In addition, MS Critterz may set an adoption fee for all animals adopted from the shelter. All such fees and/or boarding charges collected by MS Critterz shall be used solely for the operation of the Oxford Animal Shelter.

**10. Alteration of Provisions:** The provisions of this agreement shall not be altered without mutual consent of both parties to the agreement, and any alterations in this agreement's provisions will not be effective unless reduced to writing and signed by an authorized representative of both parties.
