Subject: Grant Info

- Wal-Mart Local Community Grant not to exceed \$5,000 with no match on our part. Grant applications are only kept on file for 90 days, we will need to re-apply after 90 days if not selected.
- Hoods for Heroes Grant

The **Hoods for Heroes** foundation is a 501(c)(3) nonprofit with a mission to outfit every firefighter in America with the newest in particulate hood technology. The H4H hood grant program works to grant chemical-blocking hoods at no cost to our nation's firefighting heroes. These hoods help reduce their exposure to cancer-causing particles in the head and neck area by 99%. With nearly 1.25 million firefighters across the US, fulfilling every hood grant request is dependent directly upon fundraising, corporate partnerships and collaborating with each department. Please complete the information below to start the hood grant application process. Upon receipt of this mini-application, you will receive the official grant application to complete in full for grant consideration. Grants are awarded quarterly for qualifying departments.

We would like to apply for both of these.
