COVID-19 RESPONSE GRANTS

We provide funding to U.S. local election offices to help ensure they have the critical resources they need to safely serve every voter in 2020.

The Center for Tech and Civic Life (CTCL) is excited to expand our COVID-19 Response Grant program to all U.S local election jurisdictions. Backed by a generous $250M contribution, CTCL will provide grants to local election jurisdictions across the country to help ensure you have the staffing, training, and equipment necessary so this November every eligible voter can participate in a safe and timely way and have their vote counted.
