For: Board Meeting October 26, 2020

It has come to our attention that the rental income that is received by the six properties that are privately owned varies in what each is paid from \$75.00 to \$200.00. We feel that this needs to be the same for all as they are letting this property be used from Monday before the election (to set the machines up) until Wednesday after the election (the pick-up of machines) as well as some having to move equipment out to allow space for the election. With this being said we ask that each precinct be paid \$200.00 for all elections beginning with the November 3rd, 2020 election.

We are also asking for the November 3rd election and November 24th run-off election (if one) that a cleaning service be hired to disinfect and clean all 18 voting precincts. This can be paid out of grant money that we have been approved for and will be receiving.
