Lisa,

I have attached the invoice from the Cleaning Service used to clean the buildings after the November 3rd Election. This was a COVID and deep cleaning that was done. The precincts that we spoke to said they did a wonderful job.

I also spoke with Mike Roberts concerning the pay for the Resolution Board, so he is aware of the increase that we are submitting. Initially we requested \$200.00 with the impression that they would be through by at the latest 10 pm which did not happen. It was almost 3 am before they left. If we had recessed and had them to come back the next day then that would have been an additional day of pay (\$200.00) that they would have received. So it was agreed to pay them \$15.00 for the 5 hours past 10 pm which now gives them an extra \$75.00 plus the \$25.00 training pay making their pay \$300.00. This can be reimbursed from the grant that we received. I submitted the pay sheets based on this above.

I will also have any additional PO's or other requests that can be reimbursed to you within the next few days.

Any questions please let me know.
