Dear Steve:

We would like to participate in the SWIFT Grant Program for our property at 1103 Hwy 6 East that has flooded several times. We would like the county to apply on our behalf. We recognize that we would be responsible for any matching funds that are required. Also, if the grant is a reimbursement grant we are willing to expend the necessary funds and be reimbursed for the portion covered by the grant funds. Thank you for your assistance with this program.

Sincerely,
