Re: Request **Additional five** days for Experian Project

The Election Commissioners are requesting five additional days to fulfill this task for the Experian Project.

We have over 5,700 names to go through and send out confirmation cards for new for Voters to update their status.

The Mississippi Code 23-15-135 # (3) states, in addition to the number of days authorized in subsection (2) of this section, the Board of Supervisors of a county may authorize in their discretion the Election Commissioners to receive a per diem in the amount provided for subsection (2) to be paid from the county general fund for every day or period of no less than (5) hours to be approved by the Board of Supervisors.

We are requesting 5 days.

Thanks for your cooperation in this matter.

Respectfully submitted,
