2025 Fall Conference

The Mississippi "Magnolia" Chapter of SWANA invites you to join us on the banks of the MS River for the 2024 SWANA Fall Conference at the Natchez Convention Center in Natchez, MS.

The conference will offer attendees a chance to learn from experts in the industry and regulatory communities on topics concerning the technical, practical, and regulatory aspects of successful solid waste management facilities. Our goal as always is to provide opportunities for learning and networking that would not be otherwise available to our membership and audience.

SWANA Safety

As the MS Chapter continues to provide our membership with training and educational opportunities through our conferences, we continue to stress the importance of safety in the solid waste management industry. We will try to provide important safety information at our conferences, but please let us know how we can better do so.

Also, please be sure to visit <https://swana.org/safety> for more safety tips and information.
