Cybercriminals have been texting, calling and emailing cardholders posing as bank employees to "confirm fraud attempts". If you receive communication, you were not expecting, do not respond or click on any links. If someone calls and asks for information, hang up! You can call the number on the back of the card or your personal banker for assistance. These communications can look very real, often spoofing real phone numbers. They will try to create a false sense of urgency. Don't be tricked into making a rushed decision.
